PROMISES

Rite 13 is part of a program called *Journey to Adulthood (J2A)*. In Rite 13, you will have an opportunity to explore what it means to be created in the image of God, understand more of the responsibilities of adulthood, and have fun.

To join us on this adventure, we ask that you make the following promises:

- To pray for the journey you are joining!
- To respect the bodies, minds and hearts of each of your fellow pilgrims, and yourself;
- To refrain from using electronic devices during gatherings, including transportation on journeys (this includes ipods, mp3 players, games, and cell phones!); and
- To abide by the community covenant that you will help create with your companions in Rite 13 (other youth ages 11-13).

Can you make these promises to yourself, and commit to share this adventure with those on the journey with you? If you are willing to make these promises, please sign below:
